INT. NEIL AND MEGHAN'S DORM ROOM

MEGHAN walks into her brand new dorm room carrying a box, the room is bare and there is nothing on the wall, the only other thing in the room is a box belonging to her new roommate and a couch that seems to be in every person's room. Weird.

MEGHAN sets her box down and starts to unpack when she hears someone come in behind her. It's NEIL carrying his own box of stuff.

MEGHAN

Oh, hey Neil. Welcome to my new room!

NEIL

Aww thanks Meg. Seems like a swell place.

NEIL starts unpacking himself as MEGHAN looks at him with confusion.

MEGHAN

Um. Hey, Neil... What are you doing?

NEIL

Unpacking my stuff, of course. I'm not going to leave my stuff in boxes... Duh.

MEGHAN

Okay, I understand that. But, why are you unpacking your stuff in here?

NEIL

Because it's my room too...

DUN. DUN. DUHHHHH. Camera focuses on Meghan's shocked face for as long as Sarah can do it without laughing. Not really. Just for a few seconds..

MEGHAN

How is this your room too?

NEIL

Gender neutral housing? It's an RHA initiative that they put in at the end of last year.. It's only in south complex... It was a big deal. Everyone had it as their facebook

NEIL (cont'd)  
status.. Tweeted about it... How'd  
you not hear about it?

MEGHAN  
But. But. How did I end up as your  
roommate?

NEIL  
I requested you.

MEGHAN  
But. WHY?

NEIL  
Well, I lived with Richard last  
year... I figured I'm already used  
to him and you're his little  
sister... Less effort...

NEIL shrugs. Meghan starts to get out of her state of shock

MEGHAN  
Okay. Okay. This can't be that bad.

NEIL comes over to MEGHAN and excitedly puts his arm around  
her.

NEIL  
Oh, this is going to be great!  
Think of all of the adventures that  
we're going to have! All of the  
shananigans we're going to get  
into. ALL OF THE EXCITEMENT.

CUT TO five mintues later. MEGHAN is laying in her bed  
blowing bubble gum and NEIL is laying on the couch.

NEIL  
So what do you wanna do? (bored)

MEGHAN  
I don't know.. What do you wanna  
do?

NEIL  
I don't know. What do you wanna do?

This continues until it gets annoying.
